**RESPONSE TO "NOTIFICATION OF DEFECTIVE RESPONSE"**  
**TO MISSING REQUIREMENTS UNDER 35 U.S.C. 371**

S I R :

In the Notification of Defective Response mailed on October 16, 2006, it was indicated that Applicants' "Response to Missing Requirements Under 35 U.S.C. 371" mailed on May 4, 2006 was defective because "the current oath or declaration does not comply with 37 C.F.R. 1.497(a) and (b)" in that inventors Reiner Marchthaler and Matthias Wellhoefer listed on the filed declaration are not listed on the International Application. Applicants note that Reiner Marchthaler and Matthias Wellhoefer are proper joint inventors of the present invention claimed in the above-identified application, and the omission of Reiner Marchthaler and Matthias Wellhoefer in the International Application was an error in the International Application. In order to remedy this error in the International Application, a correction of the list of inventors in the International Application has been requested in the European Patent Office (the original receiving office for the International Application), and a record of the correction of the list of inventors should be available shortly. A copy of the Notification of Defective Response is enclosed.

The Office is hereby authorized to charge Deposit Account No. 11-0600 with any fees required in connection with this paper or credit any overpayment. An additional copy of this letter is enclosed for this purpose.

Respectfully submitted,  
KENYON & KENYON LLP
